Re: Freedom of Information Act Request – EPA-HQ-2017-000521

Dear Mr. Lutz:

This is in response to your request for a fee waiver in connection with your Freedom of Information Act (FOIA) request to the U.S. Environmental Protection Agency (EPA) seeking any and all records relating or referring to the Emissions-Estimating Methodologies (EEMs”) for the following types of facilities: 1) Animal feeding operations (AFOs”) in the swine industry.

Based upon a review of your request and the information available to us at this time, we have determined that the total fees that would be incurred in processing this request is de minimus and therefore not billable. The Office of Air and Radiation (OAR) will respond to your request for information.

Sincerely,

Larry F. Gottesman
Agency FOIA Officer
